VALUES

Customer Commitment:

We develop relationships that make a positive difference in our corporate customers' lives. We Always Seek to Improve: Superior quality is the 'ground floor' of our organization, upon it we continually survive to improve by developing, manufacturing and supplying products and services, superior to our competitors and better than the previous one. We study our progress and learn from ourselves and others how to do things more effectively and efficiently. Our commitment to quality goes beyond how well we serve our customers to include the way we deal with all people. How we do things is as important to us as what we do. We provide outstanding products and unsurpassed services that, together deliver premium value to our customers.

Integrity:

We uphold the highest standards of integrity in all of our actions.

Teamwork and Respect:

We work together across boundaries, to meet the needs of our customers and help the company to win.

A Will to Win:

We exhibit a strong will to win in the market place and in every aspect of our business.

QUALITY POLICY

MSE is committed to provide packaging solutions to their customers that satisfy their needs and expectations by adhering to Quality Standards, innovative capabilities, Human Skills and prompt services. MSE will achieve this by promoting the culture of continuous improvement in all stages of company's operation including environmental protection and safety standards.

SALES & MARKETING

To achieve the goals of the company we built skilled, proficient and organized team. Our Management Staff consist of people, who are professionally competent, qualified, quality oriented and believe in customer satisfaction. It is one of the attribute of our staff that we collectively believe on quality, loyalty, faith, trust and commitment. The commitment is the sign of our organization, the theme of which we travel through our whole staff. Commitment comes to the point when we talk about timely delivery of our products to customers or whether it speaks about the committed quality to our customers. It serves equally to its all grounds. We think that our staff is our precious assets which take the company from grounds to its current highs. The management team of M.S Enterprises consists of the people who functionally and actively run the company with ultimate objective to fulfill all of its commitments.

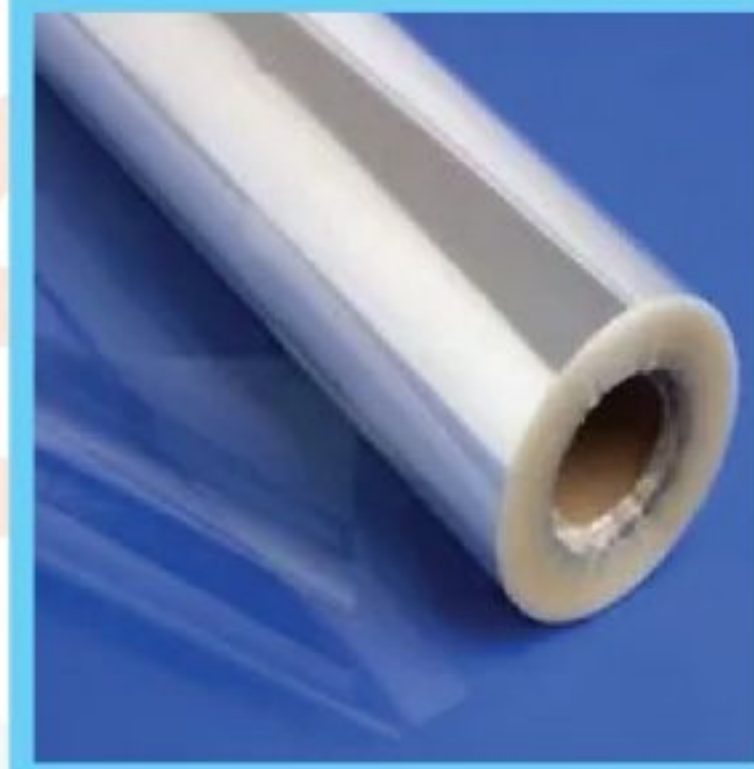

TECHNICAL KNOWLEDGE

We have strong knowledge of these factors. The founder of M.S Enterprises, Mr. Mansha Butt, has been in this field for last 60 years. He is the guiding star for all the personnel at M.S. Enterprises. With his experience and his team of competent professionals, M.S Enterprises turns strategies into reality. We also have strong technical support of our supplier. Due to our extensive knowledge of plastic industry, we are able to develop and market various products to our corporate clients, very effectively and efficiently. We can manufacture many specialized plastic materials that would meet all international standards whatsoever.
